4. Start date of transport: today's date

5. Countries/States concerned

Export/dispatch	Transit	Import/destination
ESPAÑA		REP. CHECA

6. Declaration of the person/holder arranging the transport

I declare that I am entitled to represent my company legally and that:

a) The electrical and electronic equipment (EEE) in this transport is EEE equipment that is not defined as or considered to be waste in any of the countries involved in the transport.

b) A contract fulfilling the conditions set out in paragraph 31(b) (ii) of the Basel Convention *Technical guidelines on transboundary movements of electrical and electronic waste and used electrical and electronic equipment, in particular regarding the distinction between waste and non-waste under the Basel Convention*, is in place. For Europe: a contract fulfilling the conditions set out in paragraph 13 of the *Correspondent Guidelines No 1* and if applicable a contract according to paragraph 14 of these guidelines is in place. The shipment is taking place in the framework of a business-to-business transfer agreement.

c) The used EEE, in case of shipments according to paragraph 12(b) of the European Correspondent's Guidelines No 1, is used EEE for professional use only.

d) Upon request from the relevant authorities, I will make available underlying documentation (e.g., contracts or equivalent documents) that can be used to verify the statements contained in subparagraphs (a) and (b) above.

e) The above information is complete and correct, to the best of my knowledge.

Name: Daniel M. Function: Técnico Date: Today's date Signature:

7. Description of the equipment (e.g. name)	**8. Name of the producer (if available)**	**9. Identification number (type No.) (if applicable/if available)**	**10. Year of production (if available)**	**11. Year of earlier repair / refurbishment and kind of repair or refurbishment (optional);**	**12. Under warranty (yes/no) and if yes, remaining duration of warranty**	**13. Quantity of equipment**
